

*I want to make dreams come true!*

You can bring a child's wish to reality with your support of **Make-A-Wish® New Hampshire** through our **Adopt-A-Wish®** program. With your generous gift, you have the power to inspire hope, sustain strength, and bring joy to our wish children and their families by granting one, simple, most desired wish. Your support will teach these children that anything is possible, creating a life affirming, transformational experience.

While wishes are unique expressions of each child's imagination, they typically fall into one of **four categories**:

- I wish to go...** Wish kids dream to visit any location, as exotic as Australia or as close as the something in their own community.
  - I wish to be...** Wish kids think beyond the day to day and wish to become a fire fighter, chef for a day or magical super hero.
  - I wish to meet...** Dreaming big, wish kids think of who they want to meet ... a musical artist, their favorite athlete, or a family member.
  - I wish to have...** Inspired wish kids dream of a furry friend, a special place to watch a video with their families, or a special computer that helps them communicate.
- 

This year, we hope to grant 90 amazing wishes for children in New Hampshire. For each wish to become a reality, it takes dedicated volunteers, in-kind donations and most importantly, the financial generosity of people like you. While we strive to ensure that a portion of each wish is supported by gifts in-kind, additional cash funding is needed. Your gift to adopt a wish will help to grant the wish of a deserving child. Will you join us in making the impossible happen for a special child?

Your gift of **\$7,500 or more** grants the wish of a child to visit a special theme park, bring a new puppy into their family, have a complete room make-over or enjoy a shopping spree experience!

Your gift of **\$15,000 or more** can take a child to a land far-away! Wish children may choose to swim with the dolphins in Hawaii or travel to Europe or other places only seen in text books.

Each day our we receives emails, letters and pictures from children and their families recounting their wonderful wish experiences. With every gift, you will receive a brief story about an experience of a child and his/her family made possible through gifts like yours. These stories truly capture the power of a wish.
